

Home Learning Wall - Primary 4, 4/5 and 5 (September – December)

Aim to complete at least one box per week. Tick and date the box when you have completed the activity.

<u>Poster/Leaflet</u> Create a leaflet or a poster about the Vikings. It could include information about their clothing, homes, longships & way of life.	<u>Spelling</u> Use the Spelling Activities Grid to practise your spelling patterns or choose some challenging words of your own to learn.	<u>Description of a Character</u> Think about the characters in your class novel. Draw a detailed picture and write a short description of one.	<u>Poetry</u> Write an acrostic poem about Vikings. Think of a word or phrase for each letter.	<u>Listening and Talking</u> Interview a family member about their favourite hobby. Decide on interesting questions to ask them.
<u>Reading</u> Set yourself a target to read for 15 - 20 minutes before you go to bed.	<u>Letter</u> Write a letter to your favourite singer, actor or sports personality explaining why you admire them. Include some questions about their chosen career.	<u>Reading</u> Do you like comics, newspapers, magazines, information books, story books or audio books? Try different reading material to see which you prefer.	<u>Spelling</u> Play a fun spelling game such as scrabble or hangman with a family member or friend.	
<u>Times Tables Challenge</u> Practise times tables using a game of your choice. Use a pack of cards, dominoes or dice and try some games we use in class.	<u>Odds and Evens</u> Make a poster explaining the difference between odd and even numbers. How do we know which is which?	<u>Make a number</u> How many different ways can you make the following numbers, by adding and subtracting? 12 24 48	<u>Doubles</u> Can you double each number between 1 and 15? Work out the answers and ask an adult to check them.	<u>Topmarks</u> Play Topmarks mental maths games at home.
<u>Probability</u> Flip a coin fifty times and note down how many times it lands on each side. Make a prediction first. Heads _____ Tails _____	<u>Sequences</u> Write the next 10 numbers starting with: 23 _____ 408 _____ 6755 _____	<u>Money</u> Write down 5 different ways to make £1 using the following coins: 2p 5p 10p 20p 50p	<u>Number Representation</u> Using the numbers below, create ten 2-, 3- or 4-digit numbers. Put them in order from smallest to largest: 6 2 9 3	
<u>Curiosity</u> Find a new use for a water bottle. How creative can you be? Bring it in to show the class.	<u>P.E.</u> Plan a game for your class which could be played in the playground. Use some cones, two hoops and five beanbags.	<u>STEM</u> Build a model of a Viking long ship using junk materials, Lego or even natural materials from outdoors. Take a photo of your model.	<u>Mapping Task</u> Create a map showing the journey the Vikings made from their homelands to Britain. Label the countries and their capital cities.	<u>Expressive Arts</u> Create a pattern using Autumn colours or draw fireworks with chalk or paint on Bonfire Night.
<u>Personal Choice</u> Complete an activity of your choice.	<u>French & Spanish</u> Use Linguascope games at home. Username: craigentinny Password: baguette246	<u>STEM</u> Test whether the model of a Viking longship floats or sinks in water! If it floats, try adding small weights to it. What materials float and sink?	<u>Personal Choice</u> Complete an activity of your choice.	

Dear parents/carers,

Pupils have each been given a homework wall where they can choose activities from maths, literacy and other curricular areas. They are encouraged to bring in evidence to show their learning.

Pupils should aim to complete one box per week. Some tasks can be completed more than once. Please tick and date the box when your child has completed the activity. We understand that it can be easier to complete some of the tasks at the weekend.

If your child is having difficulty completing tasks or needs any resources, please encourage them to speak to their class teacher.

Best regards,

Miss Scott, Ms Chapman and Ms Cumming

Maths – Topmarks	Maths - Sumdog	Maths - nrich	French/Spanish - Linguascope
