

Home Learning Wall

Primary 6/7 and Primary 7 (Term 1 2026-2027)

Aim to complete at least one box per week. Tick and date the box when you have completed the activity.

<u>Poster</u> Create a colourful poster demonstrating the correct way to use speech marks. Make sure to include examples of speech, e.g. "Look at that huge pyramid!"	<u>Spelling</u> Practise the topic spelling words list on the next page to expand your Egyptians vocabulary.	<u>Poetry</u> Write a descriptive poem about Egyptian gods, goddesses or the spooky process of mummification. Use powerful adjectives.	<u>Imaginative Writing</u> Write a spooky story with lots of wow words and a cliff-hanger ending.	<u>Listening and Talking</u> Research a specific event from Ancient Egypt, e.g. 'The Discovery of Tutankhamun's Tomb.' Record a news report video that summarises the main events.
<u>Reading</u> Set yourself a target to read for 15 - 30 minutes before you go to bed.	<u>Reading for Information</u> Read some news articles from the Newsround website and talk about one with an adult.	<u>Handwriting</u> Practise cursive handwriting or different types of calligraphy.	<u>Letter Writing</u> Imagine you have been sent away from home to work as a builder on the Great Pyramid of Giza. Write a letter home to your family describing your hard day.	
<u>Times Tables Challenge</u> Test yourself and an adult – see if you can win!	<u>Sumdog</u> Play Sumdog at home using your school password. Tasks will be set each week for you to try.	<u>Make a Number</u> Choose a 2- or 3-digit number. Make this number in 20 different ways using +, -, x, ÷. You can try using fractions and decimals.	<u>Topmarks Games</u> Play Hit the Button on Topmarks to practise times tables and division.	<u>Pythagoras</u> Create a poster showing who Pythagoras was and the maths theorem that he created.
<u>Maths Consolidation Work</u> In our Class Teams page you have access to the Teejay Homework Textbooks. Choose a chapter of the book you know you need to practise and then use the answer book to check your work. Book 1a is the easiest and 2b is the trickiest.	<u>Time</u> Practise converting 12 hr to 24 hr time. After a practice, test yourself a few times with this quiz: 12 hour clock to 24 hour clock. Match the correct time - Gameshow quiz (wordwall.net)	<u>Times Tables</u> Practise times tables using a method of your choice e.g. pack of cards, online game, Practise with a friend, test yourself.	<u>The Euro</u> Look up the current exchange rate from British pounds to Euros. Find out how many Euros you would get for £10, £100, £1000, £10,000 & £100,000.	
<u>Geography</u> https://www.playgeography.com/games/countries-of-the-world/ Use this link to learn the locations of all the countries in the world. Find where Egypt sits alongside the River Nile.	<u>P.E. - Fitness</u> Fitness – create your own fitness circuit. Think about the different muscles you can target. Use your routine 3 times a week for 4 weeks. Is it getting easier?	<u>Health and Wellbeing</u> With P7 camp comes independence and responsibility start practicing now!! Carry out some chores in the house, e.g. do the dishes, help make the dinner, organise your packed lunch, etc.	<u>Expressive Arts</u> Investigate Egyptian music and ritual dances. Try to learn it so you can perform it for your family or friends.	
<u>STEM</u> Design and build a 3D model of a pyramid using junk modelling materials from around your house.	<u>French & Spanish</u> Use Linguascope games at home. Username: craigentinny Password: baguette246	<u>Social Studies/Technology</u> Find out 10 foods which were eaten in Ancient Egypt. Compare them to what you eat today.	<u>STEM</u> Do some online research to find out about how Egyptian engineering techniques (like the shadoof) helped them move massive heavy stones.	

Your weekly spelling words can be accessed on OneNote for you to practise. Choose an activity from the Spelling Grid to help you practise.

Dear parents/carers,

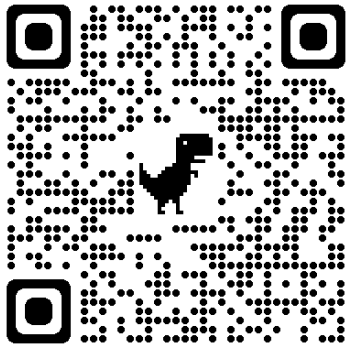

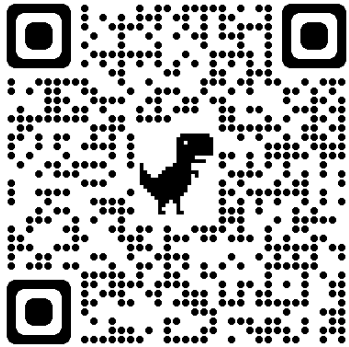

This term, pupils have each been given a homework wall where they can choose activities from maths, literacy and other curricular areas. They can complete this on paper, in Teams or in OneNote.

Pupils should aim to complete one box per week. Some tasks can be completed more than once. Please tick and date the box when your child has completed the activity. We understand that it can be easier to complete some of the tasks at the weekend.

If your child is having difficulty completing tasks or needs any resources, please encourage them to speak to their class teacher.

Best regards,

Miss Pollock, Mrs Cooper and Ms Davis

Maths – Hit the Button	French/Spanish - Linguascope
